Building on many years of exciting growth and success, the rest of the country and the national media took major notice of DC this year with the arrival of the DC MICHELIN Guide. And, in case you missed it, Bon Appétit Magazine dubbed DC "The Restaurant City of the Year," and ZAGAT echoed that sentiment naming DC "Hottest Restaurant City of the Year". The industry has so much to celebrate, and The 2017 RAMMY Awards are THE night to come together as we recognize the region's incredibly talented culinary and beverage professionals and toast to a landmark year.
