

# DEAR SUSHI,

I fell for you at 15 as a young apprentice in Japan. I moved to DC to be with you in 2001 and studied for decades so that one day I could win your heart. We forged beautiful memories in Miami, Mexico, South America and Los Angeles. With this menu, I pledge to honor your beautiful traditions and inspire new ways to love you. I'm excited to share this journey with our guests. Kampai!
