Please understand that we may ask you to limit  
your time with us if there are other guests waiting  
to dine. It's not you, it's us—we're small.

## THANK YOU

We add a 22% service charge that enables us to avoid the traditional tipped minimum wage model and offer benefits like paid time off. **Tipping is NOT expected** but for our guests who insist, gratuity is evenly shared amongst the hourly staff from the dish room to the dining room, everyone who inspired the extra gratitude in the first place. Thank you!
